

LUCIENNE  
SINGLE VINEYARD SELECTIONS  
DOCTOR'S VINEYARD

2017

PINOT NOIR

*Santa Lucia Highlands*

vinous

November 2019

92 POINTS

*“Brilliant red. Intense, spice-accented black raspberry, cherry and licorice aromas are enlivened by a suggestion of smoky minerals. Juicy and focused on the palate, offering lively dark berry and bitter cherry flavors that slowly open up and become sweeter with air. Shows very good depth as well as energy and finishes smoky and quite long, with building florality and chewy tannins that build steadily.” — Josh Reynolds*
