2018 MERLOT CENTRAL COAST

Since 1980, the Hahn family has cultivated their hillside vineyards in Monterey County. Today, Hahn wines represent the family's commitment to craft rich, supple wines which over deliver on quality yet are perfect for everyday enjoyment.

WINEMAKING NOTES: The grapes for this wine were grown in the Arroyo Seco appellation of Monterey County, in the Ste. Philippe vineyard. The sandy soils present ideal conditions for growing Merlot. The soil structure and winds on the valley floor allow the grapes to develop intense red fruit flavors and deep color. This wine is aged in French oak barrels which enhances mouthfeel and contributes dark chocolate and vanilla flavors.

TASTING NOTES: This wine expresses aromas of black cherry and red ripe plum, with hints of vanilla and spice. The palate mimics those fruits with a touch of leather and velvety tannins. A rich and luscious mouthfeel tie the whole package together.

FOOD PAIRINGS: Grilled herb chicken breasts or roasted pork with a tossed baby arugula salad, blue cheese and cherry tomatoes.
