

# HAHN

APPELLATION SERIES

## 2021 PINOT NOIR

ARROYO SECO

*The Hahns established their namesake winery nestled in the majestic hills of Monterey County in 1980. Today, the family still owns the winery and farms its four certified sustainable estate vineyards. Each wine is grown, selectively harvested and produced to express vibrant yet integrated fruit flavors and balanced acidity to complement and enhance a variety of foods.*

### VINEYARDS

Grapes for this wine are sourced from Ste. Philippe Vineyard – our certified sustainable estate vineyard in the Arroyo Seco appellation of Monterey County. Located south of the Santa Lucia Highlands, Ste. Philippe sits in an ancient, dry riverbed with well-drained, sandy loam soils. Coastal influence and cool winds from Monterey Bay contribute to an extended growing season which ensures complexity and intensity of the fruit.

### WINEMAKING

Picked in early morning, the Pinot Noir grapes were destemmed into stainless steel tanks and fermented for about two weeks. During that time, the wine was pumped over several times daily to maximize color, aromatics and flavor extraction. After the juice was pressed off the skins, it was settled and raked into French oak barrels to age for 11 months.

### TASTING NOTES

Ruby red in color, with aromas of black cherry, ripe red berry and subtle hints of vanilla and warm spice. On the palate, soft and delicate flavors of cherry and raspberry are followed by creamy nuances and spicy minerality, culminating in a pleasantly long finish.

### TECHNICAL DATA

VARIETALS	APPELLATION	VINEYARDS	AGING	ALCOHOL	ACIDITY	PH	HARVEST BRX	HARVEST	RELEASE
